Dear Abby: Adoptee resents being labeled "not real"

Name: _____ Date:_____

After reading the attached article, please complete the following questions.

1) How do you think you would respond if you were to hear similar comments to the ones discussed in the article? Do you feel it is your responsibility to educate others on adoption issues?

2) Did your families support your plans to adopt when you told them you were going to do so? What role do you expect them to play in your adoption journey?

3) List 3 ways you can help educate your family and friends on adoption issues.
