

Open Adoption: Involving Your Family

Your reactions on this article: Were you initially open to maintaining an on-going relationship with the birthparents? How did you educate yourself on open adoption? How did your family react when you informed them you would be maintaining contact with the birthfamily? How can you help them better understand what having an open adoption means vs. some of the misconceptions they may have? Any additional information you would like to add in regards to your extended family being involved in your adoption plan.
