

Open Adoption Over the Years

- 1) What are some values or traits you hope to share with your child's birthfamily?
- 2) What are some steps you can take or have taken prior to delivery that will help build your relationship with the birthfamily you will be/are matched with?
- 3) What are your thoughts regarding a relationship with the extended birthfamily?
- 4) Give an example of boundary-setting in regards to a relationship with the birthfamily:
- 5) What concerns do you currently have in regards to an on-going relationship with the birthfamily?
