

Questions on Children First

(Please complete and return to Abrazo)

1. Now that you have been through the adoptive process, how do you specifically plan to continue to put your child/ren first?

2. Why do you believe the author pushes for this specific kind of “clean start” for a child?

3. How do the themes of honesty and ethical standards relate to your hopes for your future relationship with your child and his or her birth-family?
