

Questions on “Speaking Positively”

Please refer to additional documents in your Parents of Tomorrow Orientation Binder

1. What emotionally charged adoption language have you used?

2. How does the author define “family” in this article?

3. Using self-awareness, what are some words you can begin to use that demonstrate RAL?

4. Why is it important to begin to use RAL from the beginning of a child’s life?

5. How can you begin to educate your extended families on speaking positively about adoption? Why is this important?
