

HELLO! WE'RE

Sean & Michelle McNeil

HONESDALE, PENNSYLVANIA

We are deeply honored that you are considering including our family as part of your life journey and giving us the gift of adopting your child. We can only imagine the many decisions before you and we have great respect for your consideration of open adoption. We are looking forward to learning more about you, your family, your hopes for the future and we are ready to join hands in this journey.

- With love, *Sean & Michelle*

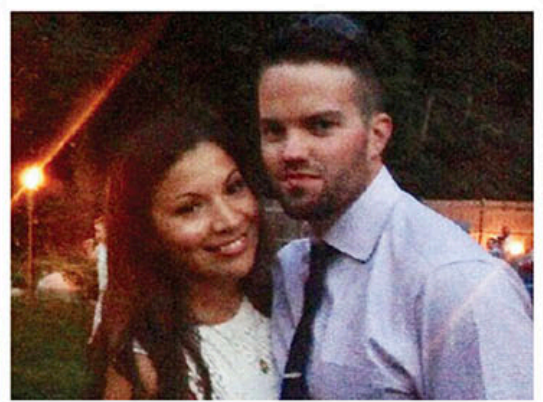

About Us!

We met in 2007 and after 9 months of dating long distance, Sean decided to move to San Antonio. We supported one another through school, new jobs and grew our life together. In 2014 we got married and began our journey to become parents, but after several years of struggling with infertility and two failed rounds of IVF we decided to take a break to focus on our relationship.

After a year of coping and building our relationship, we are now stronger than ever and cannot wait to build our family through adoption. We look forward to gaining not only a child but more family and friends!
