

Joe & Priscilla Sigala

San Antonio, Tx

Hello!

Thank you so much for choosing to read our profile. We know how incredibly tough and selfless this decision is that you are making, and we are in awe of your courage. Although we have not met, we have been praying for you, your baby, and your family. You are an amazing woman and we want you to know that we will always express that to your baby.

This Is Us

Joe and I are college sweethearts. We've been married for 13 years. We enjoy outdoor activities, running, traveling, watching movies and spending time with our families. We have a daughter Sophia (4) whom we adopted. We have a wonderful open adoption with her birthparents. Family is everything to us!

Priscilla (By Joe)

She is a kind-hearted, free-spirited, God-loving woman who loves being a mommy. Her caring and loving nature are two of the main reasons I fell in love with her. She is a fantastic teacher, a runner, and loves her Whataburger!

Joe (By Priscilla)

He is a hardworking, passionate, and dependable man. He makes sure that we are taken care of in every way, that we are safe, and that we have the best life possible. Being a daddy has completed him as a man and I know he is anxiously waiting for another child to welcome into our family to create new memories and traditions. He loves ALL THINGS HUNTING & OUTDOORS!

Sophia

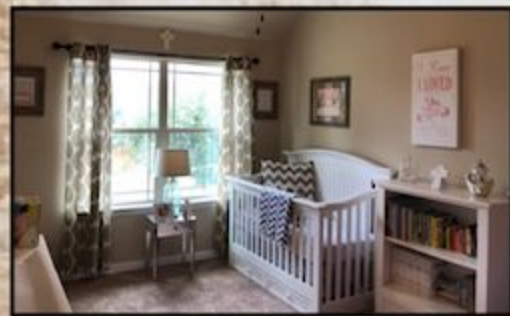

Sophia is a happy, silly, and loving little girl. She is very excited for a baby brother/sister and reminds us everyday. She loves to play with her babies, barbies, and ride her bike with her friends.

family
is forever

Sophia with her birthmother and 2 siblings.

WELCOME TO OUR HOME

We are so excited and ready to fill our lives and our home with a the greatest blessing of all...another child!! We moved into our home 3 years ago and love our neighborhood. There are so many children living on our street and Sophia's best friend lives next door! The community has events for all the holidays such as a Halloween festival/costume contest, Christmas Caroling (with a visit from Santa), and an annual 4th of July fireworks display!

Thank You !

We look forward to getting to know you and building an open and honest relationship with you.

As parents, we promise to love our children unconditionally. We promise to hug, kiss, and love them every day. We promise to let them know that they are a gift from God and how special their story is.
