hello! We are Clint and Amanda VanDyne and we are honored that you would consider joining with us in open adoption.

We live in Joliet, Illinois. We are very excited about the opportunity to grow our family together through open adoption.

thank you for taking the time to get to know us and consider giving us the amazing opportunity to be part of your forever family.

about Amanda

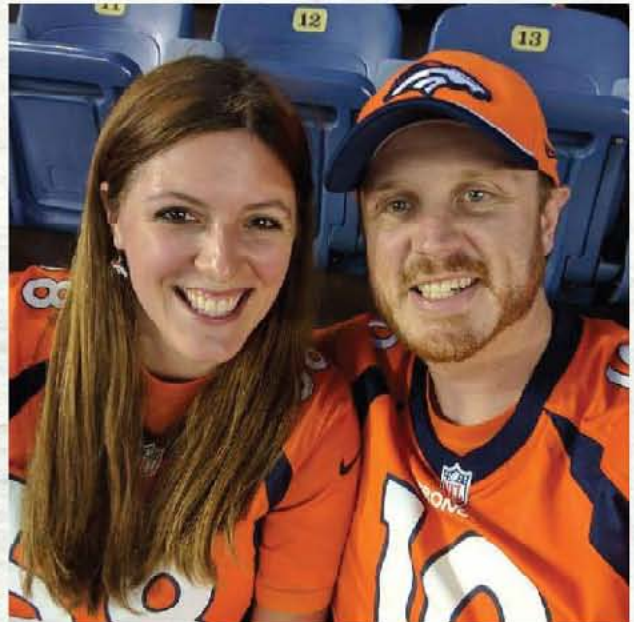

Amanda is one of the most kind, loving and gracious people I have ever met. She is unselfish of giving her time and energy to help others. She also works with children at our church. In her spare time, Amanda loves reading, watching Hallmark movies and watching and attending sporting events. Amanda is an elementary teacher but after Sophia was born she transitioned to stay at home mom; however, she continues teaching online classes to children in China in the mornings while Sophia sleeps. She loves education and has made sure Sophia has many outlets to learn and grow. She is a wonderful, caring mother who invests herself in others.

about Clint

Clint is a loyal, loving, and compassionate man. He truly cares for those around him. Clint loves singing with Sophia and taking her to sporting events. He enjoys playing basketball, going to the mountains, watching sports, and playing games with friends. He loves to make sure everyone has a great time and will find ways to make you laugh. Clint is known for being a great listener. Recently, Clint became a pastor here in Joliet and loves helping people in whatever ways he can.

this is us

We met and began dating in the Spring of 2007 during our junior year of college. We were engaged that Christmas and were married in June 2009.

our family

In 2017 we adopted Sophia. We are so thankful to have an open relationship with her birth mom. Sophia is a fun loving 2 year old. She loves music, books, and doing art projects. We love to go weekly to our local library and attend story time and music class. Sophia loves kids and is excited to be a big sister!

our home

We have a 3 bedroom 2 bath ranch home on a large property with lots of room to play! There is a wonderful little playground and gymnasium near our house as well. We also live near a lot of parks and other local attractions and have family just a short drive away.

thank you

for taking the time to look at our profile. We are excited for the opportunity to get to know you! We are so thankful for your selflessness and courage and we will be praying for wisdom and peace for you!
