

Robert + Amanda

Hello! We are Robert and Amanda Piña from New Braunfels, Texas.

We want to thank you for taking the time to get to know us. We admire and are humbled by your unselfish decision to consider adoption.

We have struggled with infertility for nine years and have longed for the blessing of a child. Through these experiences we have grown stronger as a couple. Our hearts are open with the desire to be parents through adoption.

We understand this is a difficult decision for you. We commend you on your bravery and courage. We hope that we can be a part of your journey and give you peace with your decision. We look forward to sharing a transparent and trusting relationship with you.

We will love your child unconditionally. We will provide guidance and values that will grow him or her into a loving respectful person. Our home will be a place of love, happiness and safety.

Here is what we are all about.

With Much Love,

Robert + Amanda
