HONESDALE, PA

We are deeply honored that you are considering including our family as part of your life journey and giving us the gift of adopting your child. We can only imagine the many decisions before you and we have great respect for your consideration of open adoption. We are looking forward to learning more about you, your family, your hopes for the future and we are ready to join hands with you in this journey.

🌸 🌸 *hello!* 🌸 🌸

Thank you for taking the time to learn more about us. We are Sean and Michelle McNeil (and Isla, adopted at birth in 2019).

We have been married for almost 7 years. During that time we have renovated our home, traveled to many national parks, learned to cook lots of new recipes! We have lived in Pennsylvania since 2016 and have built a wonderful, supportive community around us. We have family in San Antonio and travel there often to visit everyone and eat lots of Michelle's mom's home cooked enchiladas!

Should you consider us as part of your plans for your child, we would love to have an open relationship with you and your family. We understand that your desires may change over time and will remain committed to honoring the promises we will make to you.

 *meet isla!*

Everyone who meets Isla say she's, friendly and so sweet. Isla loves to laugh and gets so excited when she is around other children. She always wants to be helpful when it comes to things like feeding the chickens. She loves giving hugs and has so many smiles to share with everyone around her. She is going to be an amazing big sister!"

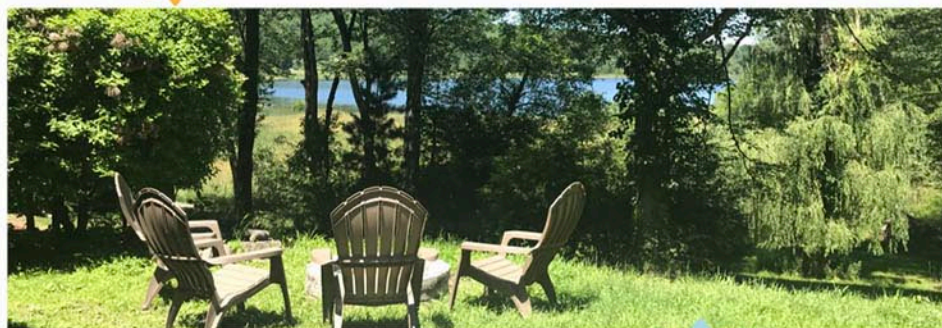

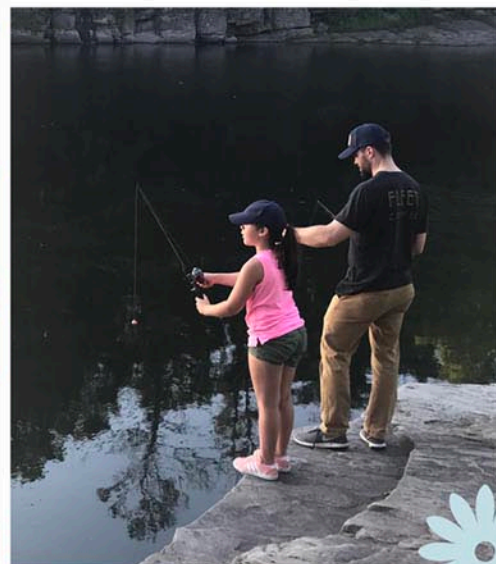

## *meet our family*

We have an amazing extended family with grandparents, aunts, uncles and cousins in San Antonio, TX, Boston, MA and Poughkeepsie, NY. Our families love getting together for BBQs, birthdays, holidays and to celebrate special occasions.

We love to share laughs and go on adventures together. Everyone is so excited to welcome a new little brother or little sister and their birth family in to their hearts!

## *life with us*

We have a traditional 3 bedroom, 1 bath ranch style home on 2 wooded acres overlooking a large pond. Our home is in a small rural community with parks, art galleries, a library and farms - all of which we visit frequently.

We are very active in the local community and never seem to run out of activities to do. When the weather is nice, we will eat dinner outside, have friends over for campfires and enjoy daily hikes or walks in the park. We feel fortunate to live in such a beautiful area and can't wait for a sibling to join us for our next adventure!

## *our promise to you*

is that you will have a very special place in our family and hearts. We know that you will have more questions and are excited to meet with you to learn about the hopes and dreams you have for your baby. Thank you for taking the time to read a little bit about us and we look forward to learning more about you!

with love, *Michelle & Sean*
