THE SECRET
INGREDIENT
IS ALWAYS

Love

hello

Thank you for looking at our profile. We recognize how difficult this must be and admire how brave and selfless you are. We want you to know that we sincerely believe in open adoption and unconditional love. We wish only the best for you and your child.

We are Neil and Judy and we are both bakers. We met 14 years ago when hired to open a large, fine dining restaurant. We had immediate chemistry and became the best of friends. Working together every day, we saw each other at our best and sometimes worst. This formed the strong foundation of our relationship. We soon bought a great old house, made it a home and started our lives together. We traveled, rescued a dog, opened our own business, got married and started a family. Through it all, we have laughed, learned and loved a lot.

Meet our Family

FAMILY IS EVERYTHING TO US.

We both come from big families and are lucky enough to each have four siblings. This means we have tons of family gatherings to celebrate holidays and birthdays (and eat lots of birthday cake!)

We have a 3 year old daughter, Greta, and a dog named Egon. We love spending time together going on bike rides, taking walks to the ice cream shop, swimming on hot days and sledding on snowy days. We also enjoy hanging out at home having dance parties and relaxing in our backyard. Neil and Judy both love modern art, seeing live music and learning new things.

We strive to be kind, trustworthy and non-judgmental people who care about others.

Happiness is Homemade

Together, we've created a loving home full of laughter, great food, loads of books, musical instruments, art supplies and stuffed animals.

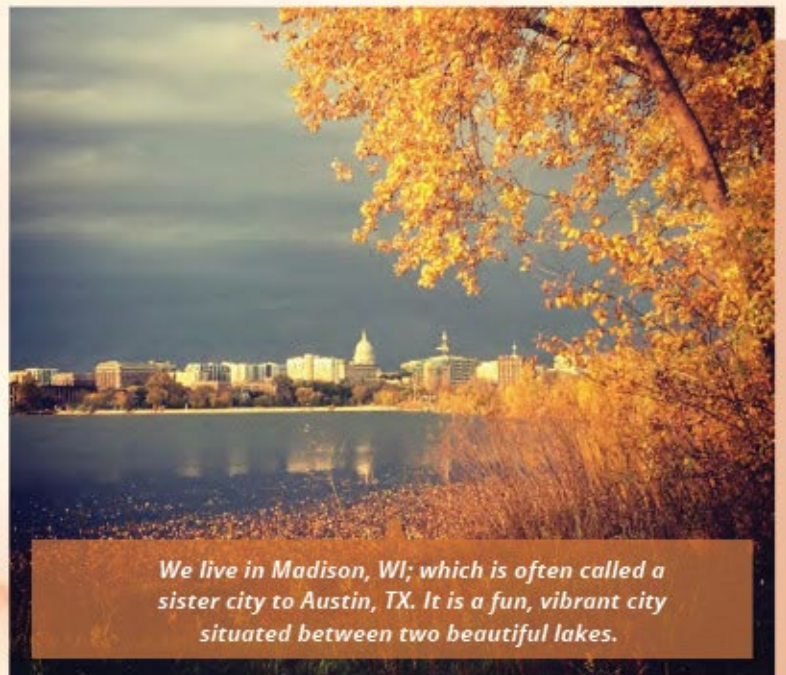

Our Promise

Thank you for considering us as adoptive parents for your child. We promise that you will always have a place in our hearts and in our family. We would love to talk to you about your hopes and dreams for the future.

With love, Neil & Judy

We love our two story, four bedroom home. It has a big fenced backyard with a clubhouse and sandbox. We live on a safe, dead-end street and know almost all of our neighbors. We are within walking distance of three great parks and an awesome splashpad.

We live in Madison, WI; which is often called a sister city to Austin, TX. It is a fun, vibrant city situated between two beautiful lakes.
