ALL ABOUT

We have been married 8 years. Time with family & friends is how we spend our days, enjoying new experiences & trying to always laugh & have fun! We especially treasure holidays & have a ton of crazy family traditions. We eat at new places every chance we get & are thrilled live sports & concerts are back!

We live an active lifestyle & love hiking and playing with our dog Penny. We both grew up attending church & hold a strong rooted faith in God. We are excited to grow our family knowing confidently that adoption is God's plan for our future.

We want to start by saying **THANK YOU!**

Thank you for considering us! You've made a selfless act by beginning this journey & we admire you for that already!

Rachel has a huge heart & is always looking for ways to bring happiness to others. She plans fun new adventures & exciting weekend getaways. She loves our family & leans on them as a source of strength. As the youngest of a big family with 5 siblings, much of who she is, comes from her strong family relationships.

She is creative & never ceases to amaze me with how she can make or build things - whether it's baking a cake, refinishing furniture, growing a garden & flowers or fixing the lawnmower.

OUR Tennessee HOME

We live in a small community outside of Nashville. We own our home, which has 4 bedrooms & 2.5 bathrooms including a nursery! Our neighborhood is quiet with top schools in the state. Our community has a walking trail, huge playgrounds & a neighborhood pool club. Nashville is home to Titans football, Preds Ice Hockey & Sounds Baseball. Live music is easy to find & so is adventure! Tennessee has gorgeous hiking trails, caves & waterfalls all around! It is the home of country music, which make sense because both Elvis Presley & Dolly Parton were raised here too! We live only 25 minutes from the downtown Capitol, and Rachel works there.

Penny OUR PUP

We have always loved animals & rescued Penny 5 years ago. She is sweet hearted, loves cuddling, taking walks & snoozing by the fireplace. Our nieces & nephews love playing with her and her puppy kisses too!

OUR PROMISE TO YOU

We promise to welcome you to our family with open arms & we are so excited to build a strong & lasting relationship with you. We promise to provide all we can for your baby & to surround them with love & laughter. We will encourage adventure, teach kindness & give endless support for them to hope & dream. We pray every day for God to help us find our way to you. Faith & family is the foundation of our relationship & we will continuously seek God's guidance for us all to raise this child with love in mind should you choose us.

We know the amazing gift of life you are creating & will always remind your child how much this choice means. **Thank you** for taking time to learn about us!

We can't wait to learn more about you!
