OUR LIFE

We have a three bedroom two bath ranch home on a large property with lots of room to play. There's a wonderful playground and gymnasium on our property as well. We love exploring the local libraries and parks. Best of all we have family just a short drive away who are willing to help at a moment's notice.

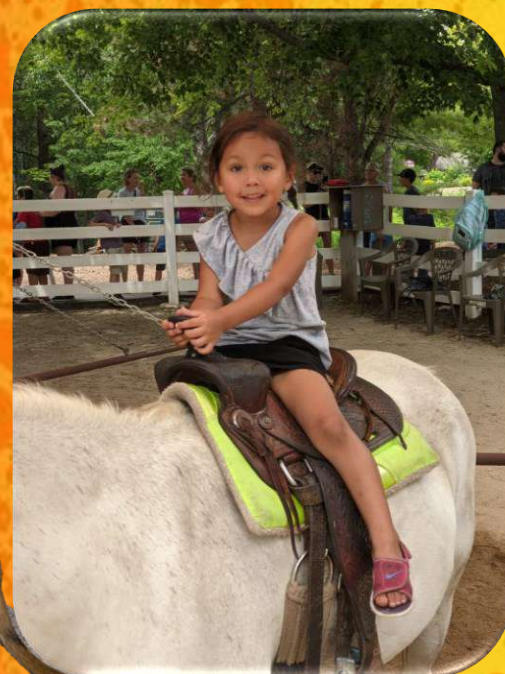

OUR FAMILY

In 2017 we adopted Sophia. We are so thankful to have an open relationship with her birth mother. Sophia loves music, books, doing art projects and playing with other children. We love to go to our local library for weekly story time and music class.

Sophia is very excited to be a big sister!

PENNY
is a very
friendly,
cuddly and
playful dog.
