Baby's Nursery!

Life with us!

We have a modern 4 bedroom, 3 bath ranch style home in a quiet neighborhood that backs up to a beautiful state park. Our home is in a wooded area with easy access to playgrounds, museums, the river and farms - all of which we visit frequently.

We are very active in the local community and never seem to run out of activities to do. When the weather is nice, we will eat dinner outside, have friends over for pizza night and enjoy daily walks around the neighborhood. We feel fortunate to live in such a beautiful area and can't wait for a sibling to join us for our next adventure!
