

Grant and Yasmin

The Lyons Family | San Antonio, Texas

Thank you for taking the time to read our profile. We have been together for more than half our lives and look forward to sharing the love we have for each other with you and your child. We are inspired by your strength, and we hope this profile gives you a look into our lives.

We began dating in high school, when we were 16 and 17, and got married in 2012 on the 10th anniversary of our first date. We have been married for almost 10 years and still make each other laugh daily.

Grant is a high school choir director who has been teaching for over 15 years. He is outgoing, enthusiastic, practical, and a LOT of fun.

Yasmin is a gynecologic oncologist who treats women with gynecologic cancers. She is kind, FUNNY, supportive, and intuitive. Together we make a strong team!

We have two Labrador retrievers, Crosby and Milo, who are complete opposites. Crosby is a 6-year-old chocolate lab and Milo is a 3-year-old silver lab. They both love playing fetch and swimming!

We love to travel! We enjoy planning vacations and never hesitate to pack in a day full of activities. We have a mutual love for food and are always excited to try new restaurants.

Our parents still live five minutes away from each other in the city we grew up in, which makes holiday celebrations with both families convenient. We are close with both of our families and love having big family gatherings! Grant has 3 siblings, including a twin. Yasmin has two siblings.

We are both passionate about our jobs, but when we are not at work, we enjoy spending time together. We have “date night” every Friday night that we can, so we can catch up on our busy week.

Aside from travel and food, we enjoy music, Broadway shows, the arts, and taking our dogs to big fields where they can run around and play.

Grant sings professionally at St. Mark's Episcopal church in downtown San Antonio and is an enthusiastic fisherman.

Yasmin enjoys being outside, reading, and spending time with family and friends.

We live on a quiet street shaded with large oak trees. There are always people outside walking dogs, riding bikes, or running. We have three hummingbird feeders, and we love watching the hummingbirds from our front patio.

Thank you for taking the time to get to know us! We are so excited to open our home to you.

Sincerely,

Grant and Yasmin
