

MARIO & LORI

Rio Grande City Texas

Hola!

First of all, thank you for taking the time to get to know us, our family and learn a little about what goes on in our daily lives. We want you to know that you have our undivided support and respect throughout this process. You are in our prayers along with this child. We want you to know that if it is God's plan for us to become a family, this child will be so loved and has been greatly prayed for.

We can't wait to meet you!

About us

Our Favorite Things:

- Halloween
- The beach
- Watching movies
- Going to sport events
- Relaxing by the pool
- Loteria & board games
- BBQs with friends and family
- Dancing

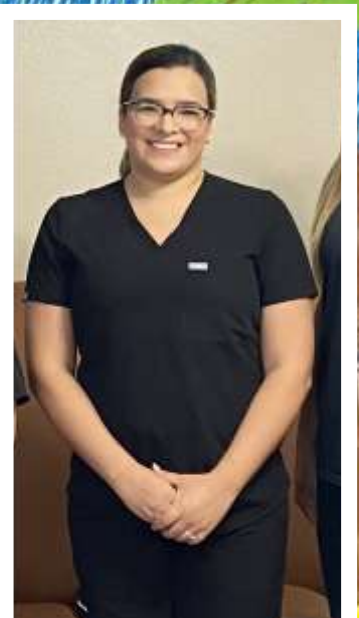

We have been married for 4 years but have known each other since high school. Both of us are Bilingual and love our Mexican American culture. A lot of our time spent together is sitting on our living room couch with our pups watching movies. Once a month we like to have game night with family and friends whether it's playing board games, card games, or Loteria. We try and visit the beach as frequent as possible. Halloween is a big deal in our house. We are ready with family costume ideas! Every weekend is spent laughing and having fun with family.

LORI

People gravitate to her since she is such a happy person. When Lori walks into a room the whole room brightens up, her smile does that. I know she'll be a great mother because she has so much love to give.

Our Home & Family

Our Home

We live in a 3 bedroom home we designed ourselves right in the heart of a fun small Texas town. We have a large backyard ready for a playground and a pool. Restaurants, parks, museums, theaters, the lake, and much more all close by. We have 3 sweet and lazy pups that we like to take for walks in our neighborhood and play fetch at the park. We are lucky to have our family live close by. They are all excited for us, and they can't wait to help us welcome a child home.

OUR PROMISE TO YOU

Thank you for considering us! We are excited to welcome you and your child into our home to share the abundance of love we have and become a family. We have prayed for years to be parents. Our promise to you is that your child will be loved and cared for as he/she is a blessing from above! Know that this child will have an abundance of cuddles, smiles, love, laughter, fun and support. We also promise that you will be a part of their life in whatever way you choose to be.
