Our Story

We both grew up in different worlds- Arpad grew up in Romania and Elizabeth in Michigan. We found one another in Florida, where we fell in love and later married on July 25, 2014. We are best friends and enjoy spending our days laughing, going on new adventures, and following God's direction. We love all things nature, traveling, spending time with friends and family, playing with our dog, and working on house projects.

Thank you for considering us to be part of your family. We know that God has His hands on this journey and we admire your strength and courage in your choice. We have been and will continue to pray for you throughout this journey. We are excited to grow our family through open adoption and no matter which family you choose, we pray that you find peace, love, and support every step of the way. We look forward to getting to know you if we are the family you choose to grow with. We wish you the best!

# The buzz on Arpi according to E...

Arpad is the most amazing person. He has a heart of gold, is selfless, and a great sense of humor; at times he can be quite witty. Arpad is always looking out for others and is always giving a helping hand. He is highly skilled and a remarkable craftsman. Arpi's resilience amazes me. On our very first date he told me that he wanted to adopt because he wanted to give a child opportunities he never had- I knew from that moment that he was a keeper and our hearts were synced!

Arpad will be an incredible Tata! He will love unconditionally, encourage spiritual and personal growth, be at all of the events, and kiss all of the ouchies.

Elizabeth will be a great mom, she was born to be one. She will always be the loudest and the most talkative one at any event.

She's a very loving and caring human being. While at a recent graduation party for one of Liz's former students, I was

so proud to see her care and compassion for the students at the party. She makes a lasting impression on the lives of all those she meets, going above and beyond to help others and loves unconditionally. She is genuine, kind, caring, and loves to laugh. Liz always has a smile on her face and is known for her silly faces. She is going to be the best mom!

# Home and Community

We live in a 4 bedroom, 3.5 bathroom house that has a nice sized backyard. We live in a small neighborhood that is still developing. The Blue Ridge Mountains can be seen from our windows. It is a small town that is about an hour from Washington, D.C. in the Shenandoah Valley.

Szivi means love in Hungarian and this suits our pup well. She is so sweet and is so excited to be a big sister! She is gentle and very loving to all. She can't wait to play ball in the backyard with her sibling!
