

The Hallmarks

ADAM & CLARE

SAN ANGELO, TX

Howdy! Thank you for considering us as a loving and caring home for your child. While it's not easy to capture our story in a few pages, we hope this profile gives you a glimpse into who we are, the things we love, and our life. We understand that this is a hard decision and one that is not taken lightly. No matter what choice you make, we are sending prayers, love, and support to you and your child.

OUR STORY

We met eight years ago in college at Texas A&M where we worked together as tour guides. We've now been married for six years. We moved to Clare's hometown four years ago to be closer to family.

Our community of family & friends plays a big role in our lives. We enjoy getting together and playing board/card games like monopoly & uno. During the summer, our family throws barbecues where we sit outside listening to music & playing yard games. As a team, we are the reigning corn hole champions!

We truly love doing life together and can't wait to grow our family. We look forward to being parents and getting to create new traditions with a child.

OUR HOME

We live in a quiet, family friendly neighborhood with parks and schools close by. Our home is a 3 bedroom ranch style. It was a bit of a fixer upper when we bought it, but we have loved getting to put our stamp on it. Our favorite place in our house is the kitchen because we love to cook & eat!

MEET HENRY

An important member of our family is Henry. He is our 4 year old corgi. He is a sweetheart with a goofy personality. He loves cuddles, naps, and belly rubs. He adores kids and is patient and sweet with them. He can't wait to have a friend to play with!
