

Daniel and Dondee Sanchez
San Angelo, Texas

hello

Life has an interesting way of bringing people together. Today your path has crossed with ours, and we believe it's for a reason and purpose. We can't imagine how this journey has been for you so far, but we truly admire your bravery and love for your child. If we are blessed to be chosen as the adoptive family for your child, know that he or she will be loved BIG by us and our extended family.

hola

La vida tiene una forma interesante de unir a las personas. Hoy su camino se ha cruzado con el nuestro, y creemos que es por una razón y un propósito. No Podemos imaginar como ha sido este viaje para usted hasta ahora, pero realmente admiramos su valentía y amor por su hijo. Si tenemos la bendición de ser elegidos como la familia adoptiva para su hijo, sepa que el y ella serán muy amados por nosotros y nuestra familia extendida.

About Us

We met in 2014 while working together for the County and got married in 2016. We live in San Angelo, which is a medium-sized city in West Texas. It's the perfect size – plenty to do, without the crime and crazy traffic of a big city.

We began trying to conceive shortly after getting married, but discovered that we had infertility issues. After discussions and prayer, we decided that we wanted to grow our family through adoption.

Our extended families are very important to us. We love to spend time with them for holidays, birthdays, or just a random Saturday BBQ. We also like to take quick weekend trips and often include our families.

Meet Dondee

Dondee has a huge heart and she always goes out of her way to show others that she cares. She has a very outgoing personality and really brings Daniel out of his shell.

Dondee loves to cuddle up on the couch and watch Netflix or read. No matter if it is in the middle of the summer or in the winter, she will always be under a blanket. She also enjoys trying new workout programs, such as Barre and Hotworx.

FAVORITES:

Food – Mexican. I would literally eat it every day if I could!

Music – Christian/Worship. Fave songs right now are Make Room, Highlands Song of Ascent, and The Blessing

Holiday – CHRISTMAS! I'm usually already decorating the house the week before Thanksgiving. I love all the family activities and looking at the lights around town.

Netflix Series – Manifest and Virgin River

Meet Daniel

Daniel is quiet and reserved at first, but his goofy sense of humor comes through once you get to know him. He will say the silliest things and then laugh for several minutes afterward at his own joke.

Daniel loves working on cars and trucks – if something goes wrong, he will fix it.

FAVORITES:

Food – Chinese but also love chips/dip. Dondee's family always makes a great queso dip for the holidays.

Music – Love all kinds of music, especially Country or EDM.

Sport – FOOTBALL! The Texas A&M Aggies are my team. I also like watching the Dallas Cowboys.

Meet Levi

Levi was born in March 2019. We adopted him when he was three days old. Levi is full of energy and always on the go!

He loves to read, look at bugs, and visit the zoo. He is excited at the possibility of being a big brother!

Our Home

We live in a 3 bedroom home with a large fenced in back yard and cozy covered porch area. Our home is on a cul-de-sac in a family friendly neighborhood.

We also have three dogs that keep us busy – Tater, Koda and Whiskey. They are super friendly and love to play!

If you choose adoption and God brings us together, we will honor you with these promises...

We will love you and your child unconditionally.

We will provide a safe and stable home full of love and laughter.

We will teach your child the value of honesty, kindness, and respect.

We will honor you and make sure that your child always knows the immense love you have for him or her.
