He is a wonderful husband and partner. He supports my endeavors and is never critical of them

He is musically inclined and can play the drums

He is a dedicated and loving person who will always take care of our family

He loves riding our jet ski (I'm pretty sure he dreams about it)!

He loves exploring the ocean

His favorite thing at the zoo is the aquarium

He is kind of a nerd; he loves Star Wars, Star Trek, and to play board games with his buddies

He is shy at first but when he gets to know you he can talk about most anything

He is an electrician and great at his job. He will fix most anything around our home

# Our Pledge to you

Your child will be loved unconditionally!

We know the decision you are about to make is difficult and that you are making it out of love. We will always make sure your child knows that. We promise to love and cherish your child.

We will have a home where they will grow up with positive encouragement.

We will play and have fun and teach them about God's love.

We would love to welcome you into our zoo! We look forward to sharing more of our story and getting to learn more about you!

With love and Respect,
