Thank you for taking the time to learn more about us. We extend our deepest gratitude to you for considering us. We admire you and your love for your child and cannot imagine the journey you are on to prepare for such an important decision. You and your child are in our thoughts, prayers, and in our hearts. We appreciate you taking time to learn about us, our lives, and the village of family we have to support you/your child. We can't wait to meet you!

Our Story

After meeting & dating since 2017, we were married in February 2022. We couldn't be more excited for God's plan for our family—open adoption! It has given us new hope and light!

We were both raised in loving families that value faith and Christian values, spending quality time with each other, taking pride in our heritage, and are built on hard work, respect, and kindness. We are a strong couple—spending our days filled with love & lots of laughter. We enjoy traveling and outdoor activities, festivals, music, cooking, & sports. We appreciate all of the "little things in life!"

Our Home & Family

We live in a small town just outside of Milwaukee, Wisconsin. Our home is on a dead-end street in a quiet neighborhood with many other families/children. We have a large yard & nursery waiting. We have large, close-knit, & supportive extended families—everyone is so excited to welcome your little one!

In addition to having loving parents, they will be raised amongst an amazing extended family & community alongside them through life supporting/cheering them on!
