

Meet the Kleins

Anthony & Elizabeth

Billings, MT

Hello! We are Anthony & Liz!

Thank you for taking a moment to get to know us. We can only imagine the love and courage it takes to make this decision, and we feel truly honored that you would consider us.

We're excited to grow our family again through open adoption and hope to get to know you along the way.

As you read our story, we hope you'll see the love, laughter, and everyday moments that make our family what it is. Whatever you choose, we're sending you and your little one all our love and best wishes.

About Us

Things We Love:

Traveling together and exploring new places

Backyard BBQs and good food with great company

Hunting, fishing, camping, and hiking in the mountains

Jamming out to Garth Brooks (and singing at the top of our lungs!)

Adventures with our son, Abel

Being active members of our community and church

We met in high school over 20 years ago and instantly became best friends. Before long, we fell completely in love, and we've been happily married for the past 11 years. Our days are full of laughter, love, and little adventures—whether it's dancing around the kitchen, exploring the mountains, or just enjoying quiet moments together. Faith is at the center of our marriage, guiding us as we support and care for each other. We can't wait to share this life of love, joy, and laughter with another child.

Lake Life

Meet Abel Luke

In 2022, we adopted Abel at just three days old and feel so blessed to have him in our lives. We're grateful for a wonderful relationship with his birth mother and her family, and it's been a joy to watch our bond grow through our love for him. Abel loves Razor rides, hiking in the mountains, fishing, playing with the dogs, swinging on the backyard playset, reading, snuggling, and dancing—and he's very excited to become a big brother!

Our Home

We love our 5-bedroom, 3-bath ranch-style home, especially the fully fenced backyard where there's plenty of room to run, play, and explore. Our quiet neighborhood is just a short drive from Lake Elmo State Park and the mountains, perfect for adventures big and small. Billings feels like the best of both worlds—a growing city with a warm, small-town vibe.

Our Promise To You!

unconditionally,
to fill their days with laughter and joy,
