Hello! We are Anthony and Liz Klein from Billings, Montana.

Thank you for taking the time to get to know a little bit about us. We are truly humbled by the difficult decision you have before you and are honored that you are considering us. We are excited to expand our family again through open adoption, and we look forward to getting to know you better!

We hope our story will help you in making your choice. Please know that no matter what you choose, we wish you and your child all the best.

Swinging in the backyard

In 2022 we adopted Abel at 3 days old. We are beyond blessed to have not only him in our lives but also to have an amazing relationship with both his birth mother and her family. It has been an honor and pleasure to see our relationships grow in our mutual love for this little boy.

Abel loves riding on the 4-wheeler and the lawnmower, playing with the dogs, and swinging on the backyard playset. He also enjoys reading, snuggling, and dancing! He is very excited to become a big brother.

Our Home

We love our 5 bedroom, 3 bath ranch style home with a fully fenced backyard and plenty of space to play. We live in a quiet neighborhood close to Lake Elmo State park and the mountains. Billings is a growing city with a small town feel.
