

# Nathan and Casey O'Neal

Greenville, TX

We are so excited for the opportunity to walk through this journey of adoption and parenthood with you. Words are not enough to express the respect we have for the brave and loving decision you are making. Both of us are here to answer any questions you would like to ask and support you in the relationship with your child. We value, honor, and know the importance of the relationship a child deserves to have with their birth family.

# About Us!

Our relationship began 14 years ago, when we met while serving at a church camp called Pineywoods Baptist Encampment. We are celebrating 12 years of marriage June 2023. On Sundays we attend and serve at a local church.

As a couple we are always enjoy making each other laugh. We enjoy being silly and having fun together. On the weekends we are spending time with friends or family, or working around the property. We enjoy taking vacations to travel and experience things we have never seen.

When we were ready to grow our family, it was discovered we would not be able to conceive a child on our own. Instead of allowing this to halt our dreams of adding to our family, our hearts sought adoption.

We currently have a two year old adoptive daughter. On the weekends, we like to spend time outdoors, going to the park, or doing activities as a family.

# Home - Sweet - Home

We currently live in Greenville, TX on 7 acres of land with a pond. This place gives us such joy. We see butterflies, birds, owls, and deer throughout the year. On occasion, we have even seen roadrunners. We have a small flock of chickens we raised from chicks. Our intention of moving here was for our child to have a place for their imagination to thrive, explore, and experience the world around them.

**Casey** is a loyal, hardworking person. Her personality is empathetic to others and always strives to see the world from another's perspective. When Casey makes a commitment there is no turning back or obstacle to stand in her way.. For her friends or family, she loves to bake their favorite treat for their birthday each year. During the week, you can find her working out or training for a race. She has completed an Ironman 70.3 triathlon, several half and full marathons. On the weekends she also takes time to relax and spend time with family or friends. Casey's laughter is contagious and always strives to bring light to any situation. She values the time spent with family and friends. She is an intentional, caring mother to our daughter Chloey. They like to sing Disney songs in the car and dance around the house.

# Nathan

Nathan grew up in the Dallas area but is a country guy at heart. He loves to spend free time fishing or hunting. Nathan will take out his boat to catch some fresh fish to bring back home to cook. With hunting he spends time waiting patiently for deer, hoping to find his next big buck. Nathan is always willing to set aside time to help those in need; this could be a stranger or a lifelong friend. He truly values commitment and hard work. He is a devoted and loving father who values the relationship with his children.

# Meet Chloey!

Our adoptive daughter Chloey turned two years old on 7/16/2023. She is full of personality and spunk. She loves to spend time outside playing, jumping on the trampoline, and riding on the tractor. We spend time each year with her birth family and stay connected with them regularly.

We attend Camp Abrazo each year. The agency organizes the camp each year at the Mayan Dude Ranch. This is such a special and important time for adoptive and birth families to spend together.

# Thank you

Our commitment will always be to encourage your child to chase their dreams and embrace their individuality. Our home will be filled with laughter, empathy, and most importantly, love. We truly believe in the value of open adoption and will keep our commitment to that relationship throughout your child's life. Thank you for taking the time to learn about us.
