# Our Story

We moved to the Middle East for work, then came back to the States in 2023 for adoption and continue our work remotely as teachers and cultural advisors.

- We currently live in the Western suburbs of Chicago in a spacious two-bedroom apartment.
- It is near Wheaton College in a nice neighborhood.
- We have already started preparing a room for our future child!

# Our Home

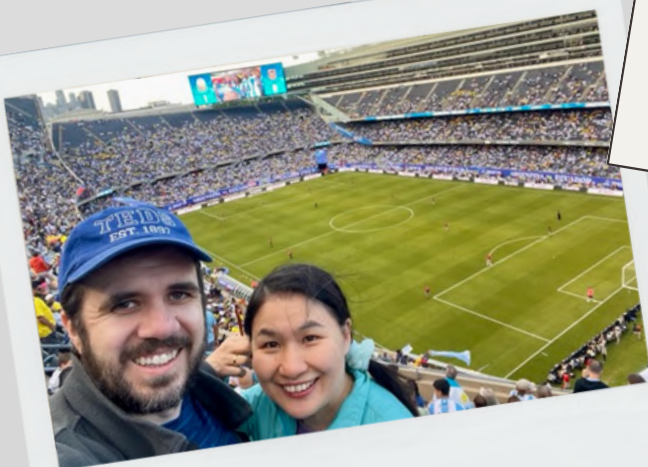

We are Spurs fans!

# Our Hobbies

- We enjoy sports like basketball, soccer, and baseball
- We like hiking, the beach, good food, art, movies, music concerts, and playing piano!
- We will let our children develop their hobbies as well 😊

# Familia

We don't have children, but Scott's sister and brother each has two daughters, and Jeanne's brother has twin boys! Our nieces & nephews are excited to have a new cousin! ❤️ We look forward to our next trip to Taiwan to introduce Jeanne's parents to their new grandchild!

## Our Tradition

- We are believers and churchgoers, so wherever we live, we become a part of local church community.
- Our family traditions include celebrating Chinese New Year, Good Friday and Easter, Thanksgiving, and Christmas, as well as birthdays and anniversaries.

We value learning and are excited to see our children receive a good education too!

Dear Friend,

We admire your decision to bring your child into this world so they can experience love, hope and the gift of life! We do not know your story yet, but we care for and pray for you. Your decision not only changes your life and your child's life, but many others' lives! It could change our lives, so we will have a child to love, our parents will have one more grandchild, our nieces and nephews will have one more cousin...the list goes on. But most of all, this decision will give your child a chance to experience many rich blessings in this world. If you choose us to be adoptive parents to your baby, you will always be special to us, and we hope to include you in your child's life. We pray you will experience much support and help in your journey and look forward to meeting you!

Many blessings,

*Jeanne & Scott*
