

John & Leslie Ramirez

Hello!
From
Appling, GA

Hopeful Parents

John and I met in 2009 and have been married for 11 years! We love sharing our lives together. We embrace our diverse cultures and treasure the moments we create! We eagerly anticipate parenthood and warmly invite YOU into our family!

Celebrating Easter is an important tradition for our family. We look forward to experiencing the fun through our child's eyes.

We love making memories on family vacations. This was a NYE train ride with extended family on the Polar Express in Bryson City, NC.

We love being in nature. This picture was taken in a forest with giant bald cypress trees in my Dad's back yard. We plan on many walks, hikes, and bike rides as a family.

John is a huge football fan. We travel to see his favorite team on their away games. This picture was taken at the Clemson Stadium.

**As
devoted
parents**

We will...

- Embrace your child with unconditional love.
- Introduce them to the beauty of God's love.
- Provide them with opportunities to pursue their passions.
- Motivate and encourage their academic journey.
- Protect them, ensuring that they feel safe and cherished.

Welcome TO Our Home

About Appling, Ga...

We reside in a rural town located approximately 20 minutes from Augusta, Georgia, the state's second-largest city and home of the Masters Golf Tournament. Our home is around 1.5 hours away from Atlanta and just a few hours from the stunning Blue Ridge Mountains, as well as the historic sites of Charleston, South Carolina, and Savannah, Georgia. Spanning 5 acres, our property offers us breathtaking sunsets each evening over the pond. We take pleasure in activities like gardening, kayaking, and fishing right in our backyard. We have friendly neighbors that have a variety of livestock animals. We plan to grow our own mini farm by getting chickens and honey bees in the near future.
